This clinic will help young riders learn how to gallop and school in company, as well as the ins and outs of the sport of steeplechase racing. Half of the clinic will be an unmounted discussion about technique, strategy, safety, and training, the second half will be mounted. This clinic is an opportunity for you to get in front of the MSA to see if you can be approved for the Field Master's Chases (see general MSA conditions for Field Master Chase requirements). Be sure not to miss out!
