All coggins and rider release forms should be on file with US Pony Racing BEFORE race day. Also please make sure all race fees are paid before race day. Original race post time was 12 NOON, but we will most likely start 15 minutes before that and roll races one after another quickly, as there is only a small window for us to get these races off.

Leadline riders must have an approved helmet.

As always all pony flat race entries are required to run with overgirth, safety stirrups, neck strap, safety vest, and approved helmet.
